(Intro)
Yea yea yea

(Verse)
Welcome to my palace, I can't wait to touch and grab it
I'mma treat that pussy like an enemy and made a
stabbing
Baby you got so much ass, you backed up just like
some traffic
Know you got that hocus pocus 'cause my stick right
here be magic
Lady let's make us a movie, I direct, you'll be the
actress
You deserve a Golden Globe the way you perform on
that mattress
Can't wait to get behind you, I'mma poke you like a
cactus
I'm up in my warm-up suit baby, 'cause this ain't shit
but practice
Now tell me can you handle it? Incense burn and
candles lit
I'm the real deal and your ex was just a counterfeit
Got that oochy coochy with er, yes I'm tryna drown on it
That's why that's talkin to me, and I finna go down on it
King Dingaling so you know I put the crown on it
Good thug love is what you get and you can count on it
With my mouth and tongue I'm about to take off your
thong
But before we get this crackin I'mma need the lights
on, yea

(Chorus)
In the middle of the night when I come home girl, come
home to you
In the middle of the night we gon make love girl, make
love to you
To you, to you
Girl, I really really wanna wanna make love with the

lights on, lights on baby
When I'm makin love to you
I wanna make love with the lights on, lights on baby
When I'm makin love to you
In the middle of the night with the lights on

(Interlude)

Lights on, lights on
Lights on, lights on
'Cause I wanna see everything,
I wanna see everything
Lights on, lights on
Lights on, lights on
'Cause I wanna see everything,
I wanna see everything
Lights on
'Cause I wanna see everything,
I wanna see everything
I'm gon fuck you with that lights on
'Cause I wanna see everything,
I wanna see everything
Baby turn the lights on, lights on
Girl is finna go down
I is finna down
So baby turn the lights on, lights on
Girl is finna go down
I is finna down
Blew it like mo, blew like mo
Baby turn the lights on, baby turn the lights on
Girl turn the lights on, lights on

(Chorus)

In the middle of the night when I come home girl, come
home to you
In the middle of the night we gon make love girl, make
love to you
To you, to you
Girl, I really really wanna wanna make love with the
lights on, lights on baby
When I'm makin love to you
I wanna make love with the lights on, lights on baby
When I'm makin love to you
In the middle of the night with the lights on
