(Verse)

Came with a prince, Mr. Keep The Lights On
Chris Brown play it 'cause I'm into my zone
Hear er low, finna get in that thong
You's a princess, come and sit on my throne
You fuckin with a champ, I'm a motherfuckin pro
Living room couch then we take it to the floor
Screaming my name, got you yelling out oh
Eat it up, beat it up, you know how it go
Bring that pussy close, I ain't scared of you
Wanna see if you can ride like Sierra do

(Bridge)

Put on some lingerie, your favorite song gon play
You gon dance and a nigga gon stare at you
I'mma go real deep and I'mma pull yo hair
Then I'mma do some shit, these things you ain't seen
before

(Chorus)

You don't have to cut it off, just keep the lights on
My body on your body baby, I wanna hear you moan
Now that's what I'm talkin bout, that's what it do
Shorty ridin, she ridin, tonight I'm gon be fuckin
Say keep the lights on
Say keep the lights on

Shorty ridin, she ridin, tonight I'm gon be fuckin youâ€¦

We can keep the lights on, you ain't gotta turn em off
We can keep the lights on, you ain't gotta turn em off
