(Intro)
I mean
Everybody break up
Fuss and fight
Argue
But we only do it just to make up
You dig
Give me all that

(Chorus)
Didn't mean to do you wrong, didn't mean to leave you
alone
Didn't mean to hurt you girl, I don't wanna hurt you girl
Turn that radio on, there's gon be a new song
'Cause we gon get it on girl, we gon get it on to this
make up sex

(Verse)
Chilling at the crib, watching the Lakers
Phone in the room, girl going through my texts
That's my fault, should've paid more attention
Now she screaming loud, who's this bitch out in Texas?
So I get up like what the hell you talkin bout?
She like the soul, tell you she like the way you sound
So I laugh like man she a publicist
She a whatever nigga, I don't wanna have shit
An hour passed by, she finally calmed down
I get next to er and slide the draws down
Separate them legs and put my face in it
She moaning, feel good when I'm tasting it
Now I'm digging deep, she love it from the back
I got that pitbull, she got that thunder cat
So we fight, then we fuss then we break up
And we only do that shit so we can make up

(Chorus)
Didn't mean to do you wrong, didn't mean to leave you
alone

Didn't mean to hurt you girl, I don't wanna hurt you girl
Turn that radio on, there's gon be a new song
'Cause we gon get it on girl, we gon get it on to this
make up sex

(Verse)

Everything fine and it feel right
Until we both hit the streets on a club night
Shit I'm K-Boy, I love this life
And every broad the outfit is fittin skin tight
VIP getting pack and it's hella high
Patrone bottles everywhere, takin hella shots
Kush clouds got a nigga finna pass out
Red bone walk pass with er ass out
So I tryna sneak peak on a low key
With my girl, that's my girl so she know me
And she make the scene yea we act and leave
Fresh out the spot, straight to the limousine
I told er be quiet and pulled her dress up
I'm the love doctor, time for your check up
Body full of sweat while I'm kissing on her neck
And I love it when she mad, make up sex is the best

(Chorus)

Didn't mean to do you wrong, didn't mean to leave you
alone
Didn't mean to hurt you girl, I don't wanna hurt you girl
Turn that radio on, there's gon be a new song
'Cause we gon get it on girl, we gon get it on to this
make up sex

(Interlude)

Make up sex, make up sex
Time for the make up sex
Make up sex, make up sex
Time for the make up sex
Make up sex, make up sex
Make up sex, make up sex

(Chorus)

Didn't mean to do you wrong, didn't mean to leave you
alone
Didn't mean to hurt you girl, I don't wanna hurt you girl
Turn that radio on, there's gon be a new song
'Cause we gon get it on girl, we gon get it on to this
make up sex

Make up sex, make up sex
Make up sex, make up sex
Make up sex, make up sex
Make up sex, make up sex
