The carnival convoy just crossed the county line  
Kids wavin' on the corner as the truck's rollin' by  
They'll be settin' up the big top out in the field  
Next to the bumper cars, pony rides and ferris wheels

Oh, we been waitin' all year  
I can't believe that it's finally here

It's a big time in a small town  
Everybody's comin' from miles around  
When the sun comes up we'll be gettin' down  
It's a big time in a small town

Walkin' down the mid-way, weavin' through the crowd  
Cotton candy, bumper cars, blue ribbon cows  
Sheriff Johnson's daughter, she's givin' me the eye  
I'm gonna ring the bell and win her a prize

A little later on, we'll slip off by ourselves  
I can't imagine livin' anywhere else

It's a big time in a small town  
Everybody's comin' from miles around  
When the sun comes up, we'll be gettin' down  
It's a big time in a small town

They pulled up the tent pegs and pulled out of town  
Leavin' nothin' but litter and dirt  
Once a year, this old field of dreams  
Is the greatest show on earth

It's a big time in a small town  
It's a big time in a small town  
It's a big time in a small town
