From across the room  
I can feel this tension between us  
It's always there  
Just outta sight

An' we both know  
That love don't live here anymore  
You don't have to say it  
I can read between the lines

Who's gonna leave?  
An' who's gonna stay?  
An' how long can this house an' two cars  
An' one little girl stand in our way?

How long can we keep holdin' on  
To somethin' that's already gone?  
Girl, life's too short to love like this  
Too tired to try an' too scared to quit

We took to heart the vows we made  
But somehow lost the will  
Yeah, we said, "I do"  
But do we still?

Hangin' on the wall  
Is an eight by ten reminder  
You in your gown  
Me in my rented tux

We had it all  
When all we had was each other  
But now, it's gone  
That ol' picture gathers dust

How long can we keep holdin' on  
To somethin' that's already gone?  
Girl, life's too short to love like this  
Too tired to try an' too scared to quit

We took to heart the vows we made  
But somehow lost the will

Oh, we said, "I do"  
But do we still?

How long can we keep holdin' on  
To somethin' that's already gone?  
Girl, life's too short to love like this  
Too tired to try an' too scared to quit

We took to heart the vows we made  
But somehow lost the will  
Oh, somehow we lost all the will  
Oh, we said, "I do"  
But do we still?

Do we still?  
Do we still?
