He was standing there  
Next to that preacher man  
Shaking as he slipped that diamond on her hand  
They cut the cake  
Had a whirlwind honeymoon  
Now on the mantle is a picture of the bride and groom

I can't believe its me  
I can't believe its me  
The one that gets to love you for eternity  
I am so blessed that i confess this is so much more  
than i ever dreamed  
I can't believe its me

We were lying there  
We were scared to death  
You were pushing as i tried to help you catch your  
breathe  
Through all that pain  
Our miracle of joy  
I cried like a baby when they handed me our boy

I can't believe its me  
I can't believe its me  
The one that gets to love you for eternity  
I look into his eyes and its us that i see  
I am so blessed that i confess this is so much more  
than i ever dreamed  
I can't believe its me

Of all the people in this world  
There's just one lucky soul holding you girl

I can't believe its me  
I can't believe its me  
The one that gets to love you for eternity  
I am so blessed that i confess this is so much more  
than i ever dreamed  
I can't believe its me

I can't believe its me

I can't believe  
I can't believe its me
