Not sayin'
not charmed at all
Not sayin'
that you weren't worth
the fall
And I was alone when
I knew it was real
Down the canyon
when I knew I had come

To the line
Through the dawn
To the light
To the turn
When you said

You could drive
all night
Drive all night

So I let Crazy
take a spin
Then I let Crazy
settle in
Kicked off my shoes
Shut reason out
He said "first let's just
unzip your religion
down"

Found that I
I craved at all
Saw me melt
into your
native shelter
Where you carved my
name
Paper tigers scare
and came

Alive

Through the dawn
To the light
To the turn
When you said

You could drive all night
all night
Drive all night

So I let Crazy
take a spin
Then I let Crazy
settle in
Kicked off my shoes
Shut reason out
He said "first let's just
unzip your religion
down"
So I let Crazy
pull me in
Then I let Crazy
take his spin
Kicked off my shoes
Shut reason out
He said "first let's just unzip
your religion down"
Heard that you were once
"Temptation's girl"

And as soon
as you have
rearranged the mess
in your head
He will show up looking
sane
perfectly sane
If I know Crazy
