Daisy Dead Petals that is her name  
she's in a phone booth phase so  
underneath the shade of a peppermint tray  
she can turn it out with a heal on she just rides into  
town  
knowing what they'll say knowing they're around the  
corner  
got a crack in got a crack in some strange places

Daisy Dead Petals that is her name  
so maybe she tastes like a hamburger maid well  
these dead petals honey brought me here  
she said "these dead petals honey brought me here"

dancing on a dime hearing mother cry  
maybe she's around the corner

got a crack in got a crack in some strange places  
on my back with on my back with some dirty dishes

falling down, falling down, all over the river  
falling down, falling down, falling down

wish what I'm feeling could go on like this forever  
falling down, falling down, falling down

and since we're down might as well stay  
might as well fry some eggs  
and wave to the shade of the peppermint tray  
she's a new friend not a skeleton to ride into town  
knowing what they'll say knowing she tastes like a  
hamburger maid, but

"these dead petals honey brought me here"  
she said, "these dead petals honey brought me here."
