(Gore)

Depeche Mode - from Violator (1990)

Words like violence

Break the silence

Come crashing in

Into my little world

Painful to me

Pierce right through me

Cant you understand

Oh my little girl

All I ever wanted

All I ever needed

Is here in my arms

Words are very unnecessary

They can only do harm

Vows are spoken

To be broken

Feelings are intense

Words are trivial

Pleasures remain

So does the pain

Words are meaningless

And forgettable

All I ever wanted

All I ever needed

Is here in my arms

Words are very unnecessary

They can only do harm

Enjoy the silence
