Sights and Sounds  
pull me back down  
another year

I WAS HERE  
I WAS HERE

Whipping past  
the reflecting pool  
me+you  
skipping school

And we make it up  
as we go along  
We make it up we  
go along

You said -  
You raced from Langley -  
pulling me underneath  
a Cherry Blossom  
canopy  
-Do I Have-  
Of course I have,  
Beneath my raincoat,  
I have your photographs.  
And the sun on your  
Face  
I'm freezing that frame

And somewhere Alfie cries  
and says "Enjoy his every smile  
You can see in the dark  
Through the eyes of Laura Mars"  
How did it go so fast  
you'll say  
as we are looking  
back  
and then we'll  
understand  
we held gold dust

in our  
hands

Sights and Sounds  
pull me back down  
another year

I WAS HERE  
I WAS HERE

Gaslights  
Glow in the street  
(flickering past)  
Twilight held us  
in her palm  
as we walked along

And we make it up  
as we go along  
We make it up as we go along

Letting names  
Hang in the  
Air  
What color hair  
(auburn crimson)  
Autumn knowingly  
Stared  
and the day that  
She came  
I'm freezing that  
Frame  
I'm freezing that frame

And somewhere Alfie  
smiles  
and says "Enjoy her  
every cry  
You can see in the  
dark  
Through the eyes  
Of Laura Mars"

How did it go so  
Fast  
You'll say as we are looking back and then we'll  
understand We held gold dust in our hands in our  
hands
