(Stewart/Gouldman)

10cc - from The Original Soundtrack (1975)

Im not in love, so dont forget it.

Its just a silly phase Im going through.

And just because I call you up,

Dont get me wrong, dont think youve got it made.

Im not in love, no no, its because...

I like to see you, but then again,

That doesnt mean you mean that much to me.

So if I call you, dont make a fuzz;

Dont tell your friends about the two of us.

Im not in love, no no, its because...

I keep your picture upon the wall.

It hides a nasty stain thats lying there.

So dont you ask me to give it back.

I know you know it doesnt mean that much to me.

Im not in love, no no, its because...

Ooh, youll wait a long time for me.

Ooh, youll wait a long time.

Im not in love, Im not in love...
