Look I'm standing naked before you  
Don't you want more than my sex  
I can scream as loud as your last one  
But I can't claim innocence

Oh god could it be the weather  
Oh god why am I here  
If love isn't forever  
And its NOT THE WEATHER  
Hand me my leather

I could just pretend that you love me  
The night would lose all sense of fear  
But why do I need you to love me  
When you can't hold what I hold dear

Oh god could it be the weather  
Oh god why am I here  
If love isn't forever  
And its NOT THE WEATHER  
Hand me my leather

I almost ran over an angel  
He had a nice big fat cigar  
"IN A SENSE" he said "you're alone here  
So if you jump you best jump far"

Oh god could it be the weather  
Oh god why am I here  
If love isn't forever  
And its NOT THE WEATHER  
Oh god could it be the weather  
Oh god its all very clear  
If love isn't forever  
And its NOT THE WEATHER Hand me my leather
