(Jackson)

Joe Jackson - from Night And Day (1982)

Take your mind back - I dont know when  
Sometime when it always seemed  
To be just us and them  
Girls that wore pink  
And boys that wore blue  
Boys that always grew up better men  
Than me and you  
Whats a man now - whats a man mean  
Is he rough or is he rugged  
Is he cultural and clean  
Now its all change - its got to change more  
Cause we think its getting better  
But nobodys really sure  
And so it goes - go round again  
But now and then we wonder who the real men are  
See the nice boys - dancing in pairs  
Golden earring golden tan  
Blow-wave in the hair  
Sure theyre all straight - straight as a line  
All the gays are macho  
Cant you see their leather shine  
You dont want to sound dumb - dont want to offend  
So dont call me a faggot  
Not unless you are a friend  
Then if youre tall and handsome and strong  
You can wear the uniform and I could play along  
And so it goes - go round again  
But now and then we wonder who the real men are  
Time to get scared - time to change plan  
Dont know how to treat a lady  
Dont know how to be a man  
Time to admit - what you call defeat  
Cause theres women running past you now  
And you just drag your feet  
Man makes a gun - man goes to war  
Man can kill and man can drink  
And man can take a whore  
Kill all the blacks - kill all the reds

And if theres war between the sexes  
Then therell be no people left  
And so it goes - go round again  
But now and then we wonder who the real men are
