The Stranglers - single (1982) & on various
compilations

one day you see a strange little girl look at you

one day you see a strange little girl feeling blue

shed run to the town one day

leaving home and the country fair

just beware

when youre there

strange little girl

she didnt know how to live in a town that was rough

it didnt take long before she knew she had enough

walking home in her wrapped up world

she survived but shes feeling old

and she found all things cold

strange little girl

where are you going?

strange little girl

where are you going?

do you know where you could be going?

walking home in her wrapped up world

she survived but shes feeling old

cuz she found all things cold

strange little girl

where are you going?

do you know where you could be going?
