Im a rich mans toy
Sick of the way youve been putting me
Down sick of all your stupid games
Im a rich mans toy
Youre a son of a gun and im easily led
Coming up sometimes for air

Im a rich mans toy
Sick of the way youve been putting me
Down sick of all your stupid games
A toy - when you die theyll burn your
Bones but theyll never destroy your
Reamins
You must be the king of the world

Im a rich mans toy
The duchess envoy said when i was a
Kind
Youd smack me around on a whim
Im a rich mans toy
Your boyfriend moved all my things in
The hall
- didnt know you were sleeping with
Him

Im a rich mans toy
With powder and make-up
Dou think that i scrub well?
Watching you wake up

Whos right whos not
Whos gonna get it now that im a
Rich mans toy
Whats the matter with me?
Whats the matter with you?
Whats the matter with me?
Read us the riot act
Or read off your cues

Powder and make-up
Watching you wake up

Do you think i scrub well
Whos right whos not?
Who owes who what
Whos gonna get it now... Im a rich mans toy
