Oh my god  
I think it's happened again, I think I've done it again  
The full moon comes to call my name  
I think it's happened again, I think I've done it again  
Cold dead heart bleeds ice in my veins  
I think it's happened again, I think I've done it again  
My soul is now the night's to claim  
I never want to wake

Give me an inch and I'll take a mile  
Give me your hand I'll make this worthwhile  
Sweet nightmares are made of these (now)  
Close your eyes you weren't meant to see

Why can't you see that you're nothing but a wolf like me

I think it's happened again, I think I've done it again  
All these lives are now mine to claim  
I think it's happened again, I think I've done it again  
I'll be the outlaw you can blame  
I think it's happened again, I think I've done it again  
Their screams they haunt my memories

Give me an inch and I'll take a mile  
Give me your hand I'll make this worthwhile  
Sweet nightmares are made of these (now)  
Close your eyes you weren't meant to see

God forgive me for I have sinned  
God forgive me for I have skinned  
I've done it before and I'll do it again  
I'd split the moon in two if you just forgive me
