How can I give you everything when you wont take it
How can I trust you when i know you're always faking
How can I lean on you when all you do is break me
down
you break me down

I'm not shatterproof
i'm strong, i'm weak, but i'm not shatterproof
when i'm cut, i bleed, coz i'm not shatterproof
its killing me yeah that I can't walk away from you
i'm not shatterproof

Sometimes I see myself just sneaking out the backdoor
and when you wake up you won't find me coz i'll be
gone
But as i'm leaving there's this feeling that keeps
breaking me down
You break me down

I'm not shatterproof
i'm strong, i'm weak, but i'm not shatterproof
when i'm cut, i bleed, coz i'm not shatterproof
its killing me yeah that I can't walk away from you
why can't I walk away

It's like a dream and i'm frozen in place
It's like i'm lost and I can't find my way
I follow without reason, i circle back to you
and nothing has changed

I'm strong, I'm weak
When i'm cut, i bleed

I'm not shatterproof
i'm strong, i'm weak, but i'm not shatterproof
when i'm cut, i bleed, coz i'm not shatterproof
and its killing me yeah that I can't walk away from you
i can't walk away from you
i'm not shatterproof
no i'm not shatterproof
i'm not shatterproof
