It wasn't you I left that day  
It wasn't meant to be that way  
The angry words that caused the tears  
Were never meant for you

I never meant for you to cry  
I never thought we'd say goodbye  
The voice that spoke those cruel words  
Was never meant for you

It wasn't you  
It wasn't you  
It wasn't you that lied  
It wasn't you  
It wasn't you  
That sold his soul and died

I couldn't see your eyes that night  
It wasn't you that caused the fight  
The darkness that possessed my soul  
Was never meant for you

I didn't want to close the door  
And never see you any more  
The pain I brought into our home  
Was never meant for you

It wasn't you  
It wasn't you  
It wasn't you that lied  
It wasn't you  
It wasn't you  
That sold his soul and died

The many things that I regret  
Are things you never will forget  
The way in which I tried to love  
Was never meant for you

I never meant to leave that day  
I never meant to go that way

The life we could have shared this time  
Was never meant for you

It wasn't you  
It wasn't you  
It wasn't you that lied  
It wasn't you  
It wasn't you  
That sold his soul and died  
It wasn't you  
It wasn't you  
It wasn't you that lied  
It wasn't you  
It wasn't you  
That sold his soul and died
