"Sometimes"

The road ahead is clear to me
sometimes
I know the place I have to be
sometimes
I know the things I have to do
will not be understood by you
I know I'll make you sad and blue
sometimes

I wonder if I have it right
sometimes
I wonder if it's worth the fight
sometimes
It feels like such a waste of time
without a reason, rule or rhyme
a mountain that I cannot climb
sometimes

I understand the words you say
I am with you thru the darkest day
And when I'm not, I'm thinking of you
I am worshipping the sky above you
Can't you see how much I love you

The loneliness is hard to take
sometimes
I feel that I will bend and brake
sometimes
I cannot overcome my fright
and make it through the empty night
without your understanding light
sometimes

I know you cannot feel my heart
sometimes
Our daydreams often drift apart
sometimes
You say my thoughts are not the same
and you are not the one to blame
sometimes

I understand the words you say
I am with you thru the darkest day
And when I'm not, I'm thinking of you
I am worshipping the sky above you
Can't you see how much I love you
