Grams of hash, bikini bash, wet t-shirts, six packs,  
Dog shit, golf car, don't forget, a jack!  
On the beach we party all night long, on the beach we  
drink dom perignon  
On the beach we party all night long, on the beach we  
drink dom perignon  
Vomit on shirt, vomit on skirt, vomit on face  
Vomit on shoes, this is it, beach party blues!  
On the beach we party all night long, on the beach we  
drink dom perignon  
On the beach we party all night long, on the beach we  
drink dom perignon
