Do I want you for my baby  
Do I want you by my side  
Do I wanna run and kiss your lips  
Say you're my loving guy - oh oh...

Do I need your arms around me  
Do I live my life for you  
Do I always feel so warm each time  
I look in your eyes of blue - oh oh...

Oh Oh

And do I need you every minute of the day  
And would I die if you should ever go away  
And does it mean so much to feel your tender touch  
Do I love you  
Oh I swear I'm gonna get you if takes me all my life  
I'll hope and pray and dream and scheme  
Cause I'm gonna be your wife

Do I love you  
Yes I love you  
Do I love you  
Yes I love you
