Oh metal!!!

This is the shit we are going to play, bang your head  
it's the only way

Raise your fists and show them hell

Shorthaired wimps and spandex posers they will die-  
fuck you!

Shorthaired wimps and spandex posers they will die-  
fuck you!

Guitars roaring pounding drums, chainsaw bass the  
show goes on

Hellish metal is the only way, if you aren't into metal  
you must be gay!

Shorthaired wimps and spandex posers they will die-  
fuck you!

Shorthaired wimps and spandex posers they will die-  
fuck you!

Give them hell
