"Orange Blossom"

You'll always be here,
Under the moonlight and in my thoughts.
By the dockside
Your golden hair shined bright
Two hearts sitting close by a new river, down by the
riverside
I'll always remember us in the sun,
Now I'm shining through your blue eyes
Blue like the summer sky
The light of every grove
That's something we both know.
The leaves still sway although we're letting go.
Beneath the sky and in the trees
White flowers
One will outshine the others
Throughout the trees,
A flower
