Oceans apart and it's heavy on my heart
Roll and row but my rolling game too slow
I'm happy you know

I'm spending my time watching the ship and the globe
Why beauty's in the simple things
Your sweetness and your elegance
I'm happy you know

Paa pa pa paa pa pa paa papa pa paa paa 2X

Oceans apart and I'm sailing on my dreams
Roll and row but my rolling game too wild
I'm lost in your smile

I'm spending my time watching the ship and the globe
Why beauty's in the simple things
Your sweetness and your elegance
I'm happy you know

Paa pa pa paa pa pa paa papa pa paa paa 2X

(Break)

Paa papa paa pa pa paap paa paaa 4x
