Sunday morning I'm tired lonely
Waiting for someone to save me
All the boys say you might be the one for me
I hope you can save me before I lose it

I've been dying inside
Got nothing to hide
I think we should try
To lose ourselves tonight

For all that it's worth
With every word
You make me want
To believe in you and me

'Cause your everything to me
And I want you to know
You're everything to me
And I [unverified] to show

Days go by now time ticks slowly
I can't wait till you're with me
Till then I'll sit and think in my room alone
Out there there's nothing for me
There's nothing for me anymore

I can't explain it
But it's making sense in my head?
You and me
(You and me)

I can't explain it
But it's making sense in my head
