Also, found in the stable
Waiting, for them to come
They said, whoa...
Said all god's children are evil
Yeah, it's sucks
Yeah, all god's children are evil

Yeah
Life is a real bitch
But we keep moving on
Life is a real bitch
But we keep moving on

Oh...

Vacate, and scream like babies
Waiting, for someone to take them all away
Whoa, said all god's children are evil
Yeah it sucks
Whoa, yeah all god's children are evil

Yeah
Life is a real bitch
But we keep moving on
Life is a real bitch
But we keep moving on

Life is a real bitch
But we keep moving on
Life is a real bitch
But we keep moving on

My face, magnified
Underneath, broken glass
(You'll see it there)
Be good, don't tease
Keep your, hands away
(You'll see it there)
Sleep tight, feeling right
Staying clean, you'll know
(You'll see it there)
Goodbye

(See it there)

My face, magnified
Underneath, broken glass
Broken glass
(See it...)

Life is a real bitch
But we keep moving on
Life is a real bitch
But we keep moving on

Life is a real bitch
But we keep moving on
Life is a real bitch
But we keep moving on

Uh, uh, uh, uh
Uh...
