"In The Mountains"

Beautiful
Deadly as before snow
You're in, you're out
In the mountains where it grows
In jungles
So far away
It could not matter
If they were firewood

If you're having fun, it doesn't matter so
You just carry on, like you always do
You're not special
Special enough, to make it ok

My ideal
Such contradiction
Condescending
To cross the line
Good times
Beautiful people
Expensive homes
Such hospitality

If you're having fun, it doesn't matter so
You just carry on, like you always do
You're not special
Special enough, to make it ok
If you're having fun, it doesn't matter so
You just carry on, like you always do
You're not special
Special enough, to make it ok

So go on, so go on, you're doing alright
You've got money and professional type
So go on, what's the worry with a little bit at a time
What's the worry when it's omeone else's problem

It's not my problem
It's not my problem
It's not my problem

Beautiful
Deadly as before snow
You're in, you're out
In the mountains

If you're having fun, it doesn't matter so
You just carry on, like you always do
You're not special
Special enough, to make it ok
If you're having fun, it doesn't matter so
You just carry on, like you always do
You're not special
Special enough, to make it ok
