Seven second delay
What's in the gap between my ears and what you say
Nothing on display
No evidence of life behind the noise

I'm on your side, I'm on your side, oh
But we don't see eye-to-eye
I'm on your side, I'm on your side, oh
But we don't see eye-to-eye

Sit back and wait
Let someone else make the mistakes
No time to waste, no time to waste
We're pushing on, we've got somewhere to go

I'm on your side, I'm on your side, oh
But we don't see eye-to-eye
I'm on your side, I'm on your side, oh
But we don't see eye-to-eye

You're in the driving seat
Don't know where you're going
This is getting outta control
This is getting outta control
You're in the driving seat
Don't know where you're going
This is getting outta control
This is getting outta control

Oh, but I, oh, but I
Always will feel what I feel
And I always will

I'm on your side, I'm on your side, oh
I'm on your side, I'm on your side, oh
But we don't see eye-to-eye
I'm on your side, I'm on your side, oh
But we don't see eye-to-eye
You're in the driving seat
Don't know where you're going
This is getting outta control

This is getting outta control
You're in the driving seat
Don't know where you're going
This is getting outta control
This is getting outta control

Oh, but I, oh, but I
Always will feel what I feel
And I always will
Feel your way around
Your way around
