### "Raoul"

Visit "[Raoul](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Our ambition got cast aside  
Thrown away when the batteries died  
And you'll start to compromise  
Just to get to the other side  
But it's always for the best  
And if you're not convinced  
Then you'll get left behind  
I lost interest

It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed  
If you forget what you're supposed to be  
It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed  
If you forget what you're supposed to be

Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul  
Let's make a stand  
Let's go see Raoul  
For all the ones who  
Let's go see Raoul  
Used to give a damn  
Let's go see Raoul  
Working over time

Our ambition got cast aside  
Thrown away when the batteries died  
And you'll start to compromise  
Just to get to the other side

It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed  
If you forget what you're supposed to be  
It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed

If you forget what you're supposed to be

Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul  
In the family place

Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul (In the family place)  
Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul  
Let's go see Raoul (In the family place)  
Let's go see Raoul  
Let's go see Raoul (In the family place)  
Let's go see Raoul  
Let's go see him

It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed  
If you forget what you're supposed to be  
It doesn't seem like you mean it  
I don't believe that you believe it  
And it feels like running with your eyes closed  
If you forget what you're supposed to be

Let's go back to work (repeat until close)
