It's a cold windy winter's day
Dark, gloomy, miserable and grey
But there's a reason it won't be boring
Even when you'll see your nan snoring

And peek right under that coniferous tree
That could be a Canon 7D
Forget those pants and novelty socks
That right there is one bloody big box

It's here, oh yeah, it's Christmas time
Burnt turkey, Char Siu and lots of wine
Same thing on the telly this year
Watch DigitalRev TV have no fear
It's here, oh yeah, it's Christmas time
Pics from my new Nikon look sublime
Once I open the box to a Leica M9
It's a bokehlicious christmas time

(Coming soon, Season 2 of DigitalRev TV)

Do think it will snow this year
'Cause I want to try my new camera gear
It's so exciting getting a new L lens
That I might get a bit of incontinence

I know I had to much to drink
Given that I've painted another D90 pink
Lok C's round with his Olympus E-P1
He's a bit tipsy but he's having ok-good fun

It's here, oh yeah, it's Christmas time
Let's relax, refresh and rewind
Same thing on the telly this year
Watch DigitalRev TV have no fear

It's here, oh yeah, it's Christmas time
The Nikon D7000 it's now mine
I saw the M9 with a bokehlicious prime
I've found my new partner now in crime

It's here, oh yeah, it's Christmas time
Burnt turkey, Char Siu and lots of wine
Same thing on the telly this year
Watch DigitalRev TV have no fear

Pics from my new Nikon look sublime
Once I open the box to a Leica M9
It's a bokehlicious christmas time
