Now really if you want savage cruel and rough.
Don't mind digging like a dog
While my clothes are off
Demeaning with these bands
I'm dining the straight nail
I'm leaning for de-rail and leaving this female

Kicking and a screaming
Stomping and a biting
Creeping and a crawling
We're coming for your daughter
We're gonna make 'em holler.
Like a barbarian.

Why you so boring baby don't you know how to have
feet?
Do rubbing alcohol and slice some photographs
Grab you by the panel
Sit you on the saddle
I'll know that you'll listen
To me while I ramble

Kicking and a screaming
Stomping and a biting
Creeping and a crawling
We're coming for your daughter
We're gonna make 'em holler.
Like a barbarian.

Your going down,
Your going down , down

Your going down
Your going down , down

Kicking and a screaming
Stomping and a biting
Creeping and a crawling
We're coming for your daughter
We're gonna make 'em holler.
Like a barbarian.
