Now when you get stuck with your head turned
backwards
You're knifing for a ridicule and they're all laughing at
ya
Find a way, claim your fame, siamese twins will break
your legs
Pedestrians are danger, walking on my patience.

Oh, let the new flag fly
Yeah, Yeah, Yeah
Trash can, blasts of fire
Yeah(x7)
Now that the damage is done
Let me say good-bye
Now throw out the old and let the new flag fly

Now don't straddle, like cattle
Not with out your spurs and saddle
It won't work, It can't hurt
When your stuck with your head turned backwards
Call the doctor, that can serve your knees
I serve burning acid, right down straight to your spleen

Oh, let the new flag fly
Yeah, Yeah, Yeah
Trash can, blasts of fire
Yeah(x7)
Now that the damage is done
Let me say good-bye
Now throw out the old and let the new flag fly

Na,na,na,na,na,na,na,na
Na,na,na,na,na,na,na,na
Na,na,na,na,na,na,na,na
Naaaaaaa

Oh, let the new flag fly (Let the new flag fly)
Yeah, Yeah, Yeah
Trash can, blasts of fire (Trash can, blasts of fire)
Yeah(x7)
Now that the damage is done

Let me say good-bye
Now throw out the old and let the new flag fly

Oh, let the new flag fly (Let the new flag fly)
Yeah, Yeah, Yeah
Trash can, blasts of fire (Trash can, blasts of fire)
Yeah(x7)
Now that the damage is done
Let me say good-bye
Now throw out the old and let the new flag fly
