I'm not doin' fine, I'm desecrating lives
I boned a phone booth of a lady shaky heinous crimes
Nailing hands down to floorboards, angry side gone
overboard
And I'm bored, still bored, I'm so bored

I got a funny little feeling
My arms are shaking like a lightning rod, yeah
I'll cannonball right through the ceiling
And sink my teeth in till the feeling's gone, yeah

Oh I'm the slow move guy, no time for swattin' flies
Appeasing bees knees, easing G strings
Sesing wheesing funny little feeling, lick it dry,
wonders just who am I?
Prison warden, teenage boy, transvestite with high
heels on

Hey where has my life gone
Ain't done anything I want
According to my list I've still got so many musicians to
kill
Will kill until I fill my landfill full of bodies standing still

Got a funny little feeling
My arms are shaking like a lightning rod, yeah
I'll cannonball right through the ceiling
And sink my teeth in till the feeling's gone, yeah

I got a funny little feeling
My arms are shaking like a lightning rod, yeah
I'll cannonball right through the ceiling
And sink my teeth in till the feeling's gone, yeah

I got a funny little feeling
My arms are shaking like a lightning rod, yeah
I'll cannonball right through the ceiling
And sink my teeth in 'till the feeling's gone, yeah

I got a funny little, I got a funny little
I got a funny little feeling
I got a funny little, I got a funny little

I got a funny little feeling, feeling, feeling
Oh you know the feeling
