I've seen those girls in the hair salon  
Regular's getting their hair done  
Put on the make-up that costs the most  
And they wear the expensive clothes

Well I'm not one of those girls  
I like to party in my natural curves  
Drink beer with all the guys  
I'm a rebel in disguise

[Chorus:]

I wanna be a cop car racin down the boulevard  
I wanna be fearless and falling in love  
With the adrenaline rushin underneath my skin  
I wanna be driven by the limit of time  
I wanna cause a scene I wanna be closer to alive  
Closer to alive closer to alive

I've seen those girls in the magazines  
But they don't mean anything to me  
Because I know they've been criticized  
Magazines are full of lies

I'd rather hit the stage with all the pros  
Party hard after the show  
Zip line through the jungle trees  
Sail the seven seas

[Chorus]

Carefully reckless driving down a dirt road at one  
eighty  
I'll do somethin crazy somethin that scares me  
I wanna take a risk and jump on along for the ride  
I want to be closer to a alive

Instrumental

[Chorus] I wanna be a cop car
