This thing called love
That's what it's all about
I cannot sleep today
It's not an easy way
Don't cry for me
Many things I could'nt be
And all the pain
Runs throught my veins

Coz tonight
I want to fly
But you leave me
Way behing
My thoughts are dry
I'm out of time
Only feelings still alive

I choose my fate
Coz I've lost all taste
Stand on a waterfall
There's nothing to hold on

Chorus

Would you take my hand?
Is there a God who can
Save my live?
Tears in the sky
Falling down on me

It's my last call
