Everyday I've lived alone from You
Separated from the Love I knew
And no one else can tell me how to feel
'Cause there has never been
A love more real - than anyone but You

So come on, come on and open me
There's A Beautiful Glow for You to see
(You're livin' in a heart made for me
To shine through You to shine through me)

With Your glory spinning in my mind
And Your lovely lighting up my eyes
I have never known a Love so true
And I could never give my heart away to
Anyone but You
To anyone but You
And all I have is all I am in You
(All I am is all I have in You)
And all I have is all I am in You
(All I am is all I have)
