Nothing leads when you try your best
But it's alright, if you see this all turn
It'll be alright, it'll just take sometime
So can you please look up, listen to my words
Oh, trapped inside an outside world

Then why did you cry?
Anything makes me dry
Now I have no one to say "hi"

Anything makes me dry
Now I have no one to say "hi"
It seems so easy but I can't do it right
Hearts in hearts, I cannot deny

I miss you, but I cannot get out
I love you, but I cannot get out
I broke you, now I need to break
I hurt you, now I need to suffer
I killed you, now I need to
Now I need to
Now I need to
Now I need to...
