Whatever you want (I'll be there)  
Whatever I have (I will share)  
When ever you cry yourself to sleep,  
I'll dry your eyes.  
Whenever I try to hold onto something too tight  
It gets away from me and my sight.  
I start to lose it, then comes losing you.  
It's not my fault baby please don't, please don't go.  
Whatever you want (I'll be there).  
Whatever I have (I will share).  
When ever you cry yourself to sleep,  
I'll dry your eyes.  
What did I do to deserve you putting up with me?  
Whatever I did I'm thankful everyday.  
I haven't lost it and I'm not losing you.  
I'll try my best baby please don't please don't go.  
Whatever you want (I'll be there)  
Whatever I have (I will share)  
When ever you cry yourself to sleep  
I'll dry your eyes.  
Whatever you think (I will think).  
Whatever you say (I will say).  
When ever you cry, I'll dry your eyes.  
When the world has brought you down,  
I'll be around.  
When you smile at me I feel it deep down (deep down).  
Whatever you want (I'll be there)  
Whatever I have (I will share)  
When ever you cry yourself to sleep  
I'll dry your eyes.  
Whatever you think (I will think).  
Whatever you say (I will say).  
When ever you cry, I'll dry your eyes.  
Whatever you want (I'll be there).  
Whatever I have (I'll be there).  
I'll dry your eyes).  
Whatever you want (I'll be there).  
Whatever I have (I'll be there).  
(I'll dry your eyes).  
(I'll be there).  
(I'll be there).
