If I try my best
If I try my best
And if I still can't reach you
Then I'll give up on you, find someone new
Take everything as something I need to go through

If this is what you call my end
Then why did I try to start again?
Since when did I start faking tears
I have so much to say to you if I was a bit more honest
And I'll try my best

So when you take a rest
And see me fall after I try my best
Will you miss me, for what I've been
Cause' maybe when I stop before
To see all the more reasons for giving up
I may just cross out, these broken dreams
Maybe this is the best, afterall, afterall
I couldn't reach you, I'll find someone new
Take everything as something I need to go through
But I'll remember (maybe)
This as the my best day (maybe)

So you were running down wildly
It might be how you are
I won't say anything about that
I'm left with nothing to bother
I have everything to pass to another

So when you take a rest
And see me fall after I try my best
Will you miss me, for what I've been
Cause' maybe when I stop before
To see all the more reasons for giving up
I may just cross out, these broken dreams
Maybe this is the best, afterall, afterall
I couldn't reach you, I'll find someone new
Take everything as something I need to go through
But I'll remember (maybe)
This as the my best day (maybe)
