I'm never going to think
It's gonna' end in a blink
For everything it took to come along
That when we're gone
It's the end, we need to leave

Am I pictured in memories you had?
Now that it's done, I've thought it bad
Well you'll stay in my mind
As someone I'll never find

You know how hard I tried
I could never say good bye

I'm never going to think
It's gonna' end in a blink
Everything it took for me to see you again
That when we're gone
It's the end, we need to leave
Why can't we carry on?
I've kept it there
But you'd just let me go

You're never forgotten by anyone
You were just the one, as our sun
Tell me you'll live in my mind
Forever, I'll try not to find

You know how hard I tried
I could never say goodbye
You know how hard I cried
I couldn't say the words goodbye

I'm never going to think
It's gonna' end in a blink
Everything it took for me to see you again
That when we're gone
It's the end, we need to leave
Why can't we carry on?
I've kept it there
But you'd just let me go
