Every time you say yes, I say the same
Every time you say no, I say the same
I'm dancing with myself, playing my game
Cause' you're dancing by yourself, but not anymore

It's a lifetaker, a heartbreaker but a lovesaver
It's a tearmaker, a heartbreaker but my cheerleader
It's you
It's me for you
It's just that I'm trying to make myself like you
Just call this our chain reaction, and that'll do
It's you
It's me for you

Every time I say yes, you'll just say no
Every time I say no, you'll just say yes
It's a yes and no, whatelse can I know
Cause' you're dancing by yourself, but I can't do the
same

It's a heartbreaker, dancing alone
It's a chain reaction, but no anymore
You won't try to, you make me give up
So I won't try to, that's the last time I'll stay the same

It's a lifetaker, a heartbreaker but a lovesaver
It's a tearmaker, a heartbreaker but my cheerleader
It's you
It's me for you
It's just that I'm trying to make myself like you
Just call this our chain reaction, and that'll do
It's you
It's me for you
It's me for you
But now a me for me, and you for you
