She was an angel
Who stayed in the heart
The smiles to sell
They were enough to play her part
But that isn't it, no it's not
She was perfect in every way
She promised me heaven, and kept it through
That was the only joyful time that I ever knew
Until I see you back, then I'll continue to cry for the
moon
Yeah, if it will come true

It'll never repeat
I've missed my beat
If I had another chance, I'd throw it away
I know I'll waste that chance, I'll never say never
But that wasn't it, no it wasn't
I was hurting in every way
She flew like a feather, and left me here
I missed my chance, something left to say
It won't be fixed, the clock won't wait for me

She was an angel
Her beautiful eyes in hazel
The time she gave
My skin that she had saved
It wasn't it, no it wasn't
She was perfect in every way
She was perfect enough, I don't need to say
She was always perfect, every day
Unlike me
Until I see you back, then I'll continue to cry for the
moon
Yeah, if it will come true

I couldn't know her name
I knew it'll be the same, her fame
I'd always waited for a chance, too long
And so the day before, she sang me this song

She was an angel

Who stayed in my heart
The smiles to sell
They were enough to play her part
But that isn't it, no it's not
She was perfect in every way
She promised me heaven, and kept it through

That was the only joyful time that I ever knew
Now my shadows stay with me
As I leave my place for everyone to be
Until I see you back, then I'll continue to cry for the
moon
Yeah, if it will come true
