Sit back, relax and try to close my eyes
Think how I'm gonna make it through
With my disguise
Somehow, somewhere somebody's catching on
By the time they figure it out
I will be gone

I don't wanna stay
I don't wanna go
You can't make me know anything
I don't wanna know
So where's the place, I'm looking for?
I'm looking for anything new
I just want more

So now I go, and try to play the game
Give in and kill my sense of pride
Along the way
I'll do all kinds of things I don't want to
I'll be the first to go
If I am in the way

I don't wanna stay
I don't wanna go
You can't make me know anything
I don't wanna know
So where's the place, I'm looking for?
I'm looking for anything new
I just want more

I don't wanna go
I don't wanna stay
I'm looking for anything new
I just want more...

I don't wanna stay (I don't wanna stay)
I don't wanna go (I don't wanna go)
I don't wanna stay (I don't wanna stay)
I don't wanna go (I don't wanna go)

I don't wanna go...

I don't wanna go...
I don't wanna go...
