I take a step forward then,
I end up right back where,
Where I started from,
Back where I belong,
Away from reality

This dream is never ending,
I want to wake up from this dream,
Wake up from this dream
I can't help my mental state,
I play hard but I never can win
Just don't look back and keep on fighting

I feel so empty right now,
Nothing to inspire but somehow,
I keep on dreaming away,
Hoping i will wake up soon someday

This dream is never ending,
I want to wake up from this dream,
Wake up from this dream,
I can't help my mental state,
I play hard but I never can win,
Just don't look back and keep on fighting

I've always been a happy guy,
But not today,
Wooooooooooooo,
Don't try and tell me i will be ok,
There's nothing i can do to wake up from this dream

This dream is never ending,
I want to wake up from this dream,
Wake up from this dream,
I can't help my mental state,
I play hard but I never can win
Just don't look back and keep on fighting

This dream is never ending,
I want to wake up from this dream
Wake up from this dream

I can't help my mental state,
I play hard but I never can win
