Everybody listen...

Let's get out from the winding roads  
Make our rules to make them drool

We're not gonna' listen  
To whatever words that they want to say  
Blow up all the fences  
Crashing up the windows  
And breakdown all the stages

Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
And make them drool and cry

Let's breakdown those fake roads  
Make new ones to show who's the fool

And we're not gonna give them  
Whatever chances that they want  
Damage all their gardens  
Smash down all the tables  
And breakdown all the stages

Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
And make them drool and cry

Let's make them say  
They're gonna go away  
Whoa, whoa, whoa  
Burn up all those wooden chairs  
Throw all the bowls to the stairs

We must have some destiny  
Or somekind of guardian angel

And we're gonna' shout it out loud

Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
And make them drool and cry

(Yeah! Blow everything up to the wall! )  
(Yeah! Hit the chandelier until they fall! )

Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
Everyone, make the thrill (Blow it up)  
Everyone, make the thrill  
And make them drool and cry
