Sunday morning I'm tired lonely  
Waiting for someone to save me  
All the boys say you might be the one for me  
I hope you can save me before I lose it

I've been dying inside  
Got nothing to hide  
I think we should try to lose ourselves tonight  
For all that it's worth  
With every word  
You make me want to believe in you and me  
Cause your everything to me and I want you to know  
You're everything to me and I want it/wanted? to show

Days go by now time ticks slowly  
I can't wait till you're with me  
Till then I'll sit and think in my room alone  
Out there theirs nothing for me  
Theirs nothing for me anymore

I can't explain it but it's making sense in my head?  
You and me (you and me)  
I can't explain it but it's making sense in my head
