Go! Go! Go! Go!
So when you want to come back
You know, I'll be here waiting for you
And so if you turn to be lonely
If you just know all these crimes
Just come to me, and I'll listen to ya' whine
But for now, you should

Go! Go! Go! Go!
I don't want you to show
Given up minds and say no
I don't want you to know
All behind, we have foes
I don't want you to show
Given up minds and say no
So for now, you should

Go! Go! Go! Go!
Come on get in the car, we can get so far
We might be apart, but things aren't gonna' be hard
We might be surrounded, by walls we can't see
Although our sights might be doomed, and it's all
because of me
I won't want you to know, so for now, you should
Go! Go! Go! Go!
