tell me what do i do
when i'm caught looking at You?
the moments go by so fast...
i gotta Great Big Love
i gotta Great Big Love
a love like i never...

know what i'm talkin' about?
sometimes it makes me stand up
and shout
until my face is blue
i gotta Great Big Love
i gotta Great Big Love
a love like i never...

no one else could ever be the greatest...
no one else could ever be better than...
no one else could ever take
the place of You

now there's just one more thing
one more time to sing about..
