Here I stand right now
Given up on my heels
Now where'd you go that day
I couldn't hear you say
"Goodbye"...

I've waited here so long
Where'd we go so wrong
I stood cause' I believed
But seems like I was the one deceived
Whoa,
Standing here was one step wrong
And now I can never go along
Our love was a heartbreaker

Here I stood alone
You never came I should've known
Now why was I so dumb
Now my heart seems so numb
"Because of you"...

Now I need to find another place
Find another thing that will replace
I've lost it, everything that you have gave me
I won't get tricked, to anything that'll I see
Not again...

I've waited here so long
Where'd we go so wrong
I stood cause' I believed
But seems like I was the one deceived
Whoa,
Standing here was one step wrong
And now I can never go along
Our love was a heartbreaker
Our love was a heartbreaker

Heartbreaker (Heartbreaker)
Heartbreaker (Heartbreaker)
I should've known better
Our love was a heartbreaker

I should've known better
Our love was a heartbreaker
