You've thrown me away
Why are you here?
Don't want you to stay
I'd rather want you to disappear

We've lost the heat of the moment
I know you can see you don't want to admit

I won't throw away my doubt
I need to look you in the eyes

Now I can't withstand, of walking in your shoe
I was in love, in a time before you
Now I can't withstand, I can't know the truth
I was in love, in a time after you
Now I can't withstand, from a turn of the screw
I was in love...
